NOTES:

CALL BEFORE DELIVERING PINE.

We are accepting a limited number of 10 foot white pine logs at this time - only 10% of load.

All Grade #3 softwood not making specs will be paid at \$35/M.B.F.

SCALE: 1/4 kerf international rule

Trim Allowance: 6" on all logs, shear cut logs 12" extra. Logs without sufficient trim will be scaled back 2'; short 8' logs will be culled.

Lengths: grade log 10'6"-16'6", pallet log 8'6"-16'6", must be in 2' intervals.

Stain: stained logs may be culled; all logs must be absolutely straight and fresh cut from living trees

METAL: Logs with metal will be culled.

DEDUCTIONS WILL BE MADE FOR: CROOK, ROT, SEAM, SHAKE, SPLIT, STAIN OR SWEEP.

KNOTS & BUTT FLAIRS: Must be cut flush to stem. Logs which are excessively knotty or have protruding knots or flairs may be scaled as pallet or as Grade 3.

MUD & DIRT: Keep logs as clean as possible. Logs with excessive mud & dirt may not be accepted.

All culled logs becomes the property of FMT if not picked up within 7 working days.

PULP PRICING

SOFTWOOD PULP Tree Length p/ton

HARDWOOD PULP Tree Length p/ton

No maximum length for pulp. Oversize is 23"+. Okay if logs have been cut for a long time.

CALL FOR PRICING

Oversized 8' ONLY p/ton

Logs **need** to be cut to specification. The cost to remanufacture logs will be \$25 to \$50 per hour

We are able to transport logs from your jobsite to our concentration yard.

Scale week ends on Friday, 3 pm, payment will be mailed no later than Wednesday the following week.

Mixed loads accepted. Prices subject to change without notice.

For questions please call our office at 603-485-4459 and talk to Jeff Eames or Patrick Kenney
